

WELCOME TO CAMP AU SABLE!

Thank you so much for coming to our beautiful camp to grow closer to God and enjoy what He has provided. As you know, the world we live in today is every-changing and the effects of COVID-19 have extended its reach to us here at camp. In order to continue our sessions, we are required to follow a certain set of guidelines set by the Department of Licensing and regulatory Affairs of the state of Michigan.

Below is a summary of the guidelines we are adhering to here at camp you might find helpful.

MASKS

Masks are to be worn in public indoor facilities, as well as outdoor activities where social distancing guidelines or an arms-length distance cannot be met. Camp Au Sable does not provide face masks.

PHYSICAL DISTANCING

Though Camp Au Sable understands that physical distancing at all times cannot be met, we strive to maintain a safe environment for everyone. Physical distancing guidelines at Camp Au Sable will be met and guests are expected to follow and adhere to an arms-length distance when necessary and possible. When coming into closer contact, masks will be required.

DINING HALL / MEALTIMES

Guests entering the cafeteria will be required to wear a mask. To help control the flow of traffic in the dining hall, Camp Au Sable has provided specific entrances and exit points through the cafeteria to minimize congestion.

To reduce the contact of multiple persons to utensils in the serving line, Camp Au Sable requires groups to have designated food servers for their meals. Guests will not be serving themselves, but the meal servers, who are assigned from your group, will serve each guest food in the serving line.

SERVING LINES / SERVERS

Servers are to wear face masks and one-time-use disposable gloves while serving. The kitchen will provide these gloves to the servers.

Groups of 50-80 guests	One Serving Line (1 hot bar & 1 salad bar)	4 servers*
Groups of 81-Up guests	Two Serving Lines (2 hot bars & 1 salad bar)	8 Servers*

*please plan on having a rotation of volunteers from your group to serve
