

Coordinator of Company Evangelism Job Description

Title: Coordinator of Company Evangelism

Objectives:

1. To work closely with Lansing church leadership in the **training, organizing** and **establishing** of Lansing church outreach teams (Testimonies For the Church, Vol 7, pg. 21.4).

The formation of small companies as a basis of Christian effort has been presented to me by One who cannot err. If there is a large number in the church, let the members be formed into small companies, to work not only for the church members, but for unbelievers. If in one place there are only two or three who know the truth, let them form themselves into a band of workers. Let them keep their bond of union unbroken, pressing together in love and unity, encouraging one another to advance, each gaining courage and strength from the assistance of the others. Let them reveal Christlike forbearance and patience, speaking no hasty words, using the talent of speech to build one another up in the most holy faith. Let them labor in Christlike love for those outside the fold, forgetting self in their endeavor to help others. As they work and pray in Christ's name, their numbers will increase; for the Saviour says: "If two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of My Father which is in heaven." Matthew 18:19. 7T 21.4
